NORTHERN IRELAND OUTPUT IN THE CONSTRUCTION INDUSTRY QUARTER 3 2021

The Northern Ireland Statistics and Research Agency has released its assessment of output in the construction industry for Q3 2021.

The total volume of construction output in the third quarter of 2021 decreased by 0.3% over the quarter but increased by 7.8% over the year and by 15.2% on a rolling four quarter basis. Construction output is 2.6% above the pre-Coronavirus pandemic level seen in Quarter 4 2019.
