MEMBERS ONLY MEMORANDUM No: 1-22

S460 TEST PIECE FOR RESEARCH

Please could you advise if you have a 254mm deep UB or UC section in S460 steel approximately 3m long.

This is to be used as part of a research project that is being undertaken by Shipley Structures limited comparing the behaviour of S355 and S460 steels.

If you have such an offcut of steel or similar please could you contact:

Mitch Weston
Managing Director
Shipley Structures Limited, Maddocks Place, Frinkley Lane, Honington, Grantham, Lincolnshire, NG32 3PS
Tel: 01400 251480
E: mweston@shipleyuk.com

Lorraine MacKinder
