MEMBERS ONLY MEMORANDUM No: 49 -22

SPARE FABRICATION CAPACITY

BCSA encourages the sub-letting of work amongst its Members and, as such, offers a Capacity Availability service.

Below is a list of those Member companies who have informed the undersigned that they have spare fabrication capacity:

Four Bay Structures Ltd

C20-40 tonnes per week

Fab and weld up to EXC 2

Available: Immediately for 3 weeks

Contact: Tim Rackham

Tel No. 01603 758141

Email: tim.rackham@4bay.co.uk

Member companies with capacity will remain on this list for **two weeks only** after which time it will be necessary to re-register.
