ALL MEMBERS MEMORANDUM No. 108 - 20

ACCOMMODATION AT CONSTRUCTION SITES

Members have expressed concern about finding accommodation close to construction sites. These concerns have been raised with **BuildUK** who have now teamed up with the trade body **UK Hospitality**. **UK Hospitality** has confirmed that during the lockdown its members are able to provide accommodation for construction workers not able to return home.

Anyone looking for a room/bed for the night can use the [Open Doors website](#) to find accommodation providers who have space for construction workers.

If you require accommodation and none is shown locally on the Open Doors Website, please send [BuildUK](#) the site postcode or location and **BuildUK** will add accommodation providers where there is a demand to the Open Doors website.
