## ALL MEMBERS MEMORANDUM No 321-20

### TIER 4 RESTRICTIONS IN ENGLAND

As you may be aware over the weekend additional measures were introduced to control the spread of coronavirus, after case numbers rose significantly in some parts of England.

As a result, **the following areas have moved from Tier 3 to Tier 4:**

- Kent, Buckinghamshire, Berkshire, Surrey (excluding Waverley), Gosport, Havant, Portsmouth, Rother and Hastings;
- London (all 32 boroughs and the City of London); and
- the East of England (Bedford, Central Bedford, Milton Keynes, Luton, Peterborough, Hertfordshire, Essex excluding Colchester, Uttlesford and Tendring).

For business, those that can, should work from home. **The government have made it clear, however that where people cannot work from home, they should still travel to work, for example, in the construction and manufacturing sectors.**

Non-essential retail, indoor leisure, indoor entertainment, and personal care sectors must all close.

Business support advice can be found [here](#).

### TRAVEL ADVICE

People should not travel into or out of Tier 4 areas and, those in Tier 4 areas will not be permitted to travel abroad, **apart from limited exceptions including work.**

### REPORTING REQUIREMENTS

Guidance for businesses and organisations on how to recognise, contain, and report incidents of coronavirus has been updated under the section 'What you can do to manage a possible outbreak'. Further details can be found [here](#).
